Additional Software Required

Newcrop LLC, BackBeach Software, DIT, NISTime, Medline

Multi-factor authentication 170.315(d)(13)

Patient Chart Manager, Ver. 7.1 has an optional free of charge multi-factor solution which covers the users' login process into the product, after successful username and password are entered, a text message with a 6 digit code is sent to the user, access is granted upon entering that code successfully. Contact support for complete documentation.

Patient Chart Manager, versions 7.1, 2015 Edition Certification

Pricing and Costs

Prime Clinical Systems, Inc. offers the following two pricing options for Patient Chart Manager;

- **PURCHASE/HOSTING:** Fees are based on number of providers and users. Client takes ownership of the software licenses; however no ownership of software is implied. Six months maintenance is included with sale after which monthly maintenance fees apply and are based on the number of providers using the system. Maintenance includes Updates & Support (during normal business hours) and access to Online Tutorials and ongoing Webinars. Client has continued rights to use the software provided maintenance and hosting payments are current and up to date.
- **SUBSCRIPTION/CLOUD:** Fees are based on the number of providers using the program. No ownership of software or licenses is implied. Client has continued rights to use the software provided subscription payments are current and up to date. Fee is inclusive of server hosting (includes backups and server maintenance), Updates and Support along with access to ongoing webinars and online tutorials. Minimal license fees apply for faxing and scanning.

Additional Costs

On top of the Pricing and Costs outlined above, the following may require an additional one-time or annual fee:

- E-Prescriber option- annual \$80 licensing fee per provider, payable to NewCrop
- Patient Portal- One-time setup fee
- CPT AMA License- fee paid directly to AMA or an authorized distributor
- Immunization Registry- setup fee and per Provider fee paid directly to HealthCareXchange
